No rider can be accepted for riding instruction until the Parent/Legal Guardian has completed this form and the attached Consent Form. If the rider is legally competent to complete these forms he/she may do so. The information provided on these forms will be treated within confidentiality guidelines. Medical information and other pertinent information that is provided will be reviewed by the Rider Selection Committee, the riding instructor(s) and may also be shared with assisting volunteers.

For Riders that are new to the program: The attached Medical Report must also be completed by the Rider's physician.

For returning riders: The Medical Report must be renewed at least every three consecutive years or more frequently if there has been a change in the rider's medical condition.

Note: MVSRA relies on email as well as their website to share information. By providing your email addresses you consent to allowing representatives of MVSRA to contact you via email to keep you apprised about MVSRA and their activities.

Note: Please complete back of form as well

RIDERS:

Have you been on a horse before? _____

Why do you want to ride horses? _____

What do you hope to do when you ride? _____

Are you interested in participating in any of the following?

Time allotted (15 minutes) prior to lessons to learn how to groom, feed and lead a horse as well as other "on the ground" skills? YES NO

A "Nervous Novice" class for those who are not prepared to get on the horse but would like to get to know the horse and build up the courage to ride? YES NO

A Horse Club where you will learn more about horses and be able to interact with other riders? YES NO

The Rider Rainbow Achievement Program (This is a six color-level program where a rider moves at their own pace and learns things with regards to the areas of riding, stable management and sportsmanship in order to supplement their riding experience. These are things that may not be covered during a regular lesson) YES NO

Note: There is an additional cost to the rider that wants to participate in this program.

PARENTS/GUARDIANS/CAREGIVERS:

Did the rider express an interest in horses/riding on their own? _____

Why do you want this person to ride and what would you like to see them accomplish during this riding session? _____

COMMENTS AND OTHER PERTINENT INFORMATION:
