# **Horse Testing**

**Monday, April 25<sup>th</sup>, 2022 at the Olds  
Regional Exhibition Caluori Pavilion**

MVSRA provides a therapeutic riding program to children and adults with disabilities.

If you have a horse, donkey or mule that you feel would be an ideal candidate to work with our riding program, we are always looking for four-legged volunteers!  
No prior experience with therapeutic riding programs is necessary.

Fall Session classes are on Mondays beginning in the week of May 2<sup>nd</sup> and they run until the week of June 13<sup>th</sup> with a wrap up event on Monday, June 20<sup>th</sup>.

If you have an equine that you feel would be suitable for our riding program, please call Shelene @ (403)862-8359 to arrange a time for horse testing.  
Horse Testing times can be scheduled after 7:00 p.m. on April 25<sup>th</sup> or at other dates/times if that does not work for you.

You would be required to haul the animal to the Olds facility each week for lessons.  
MVSRA provides some reimbursement towards costs for hauling.  
Please note that MVSRA is unable to board, purchase or adopt animals.  
All current and applicable Covid-19 protocols will be followed.

**Please help us support therapeutic riding in your community!**
